

PRODUCT SPECIFICATION

GREENOCK

(Lectern)

71036

The Greenock lectern is a versatile and cost-effective addition to the range. It comprises a hardwood ply backboard fixed to timber posts, with a digitally printed aluminium tray fixed on top. This gives a wide range of panel options and of course they are easy to update.

PRODUCT FEATURES

- Available A0 to A4 size
- 30° or 45° viewing angle
- Corrosion resistant aluminium tray
- 1 year manufacturer warranty
- 4 week delivery (from approval/payment)

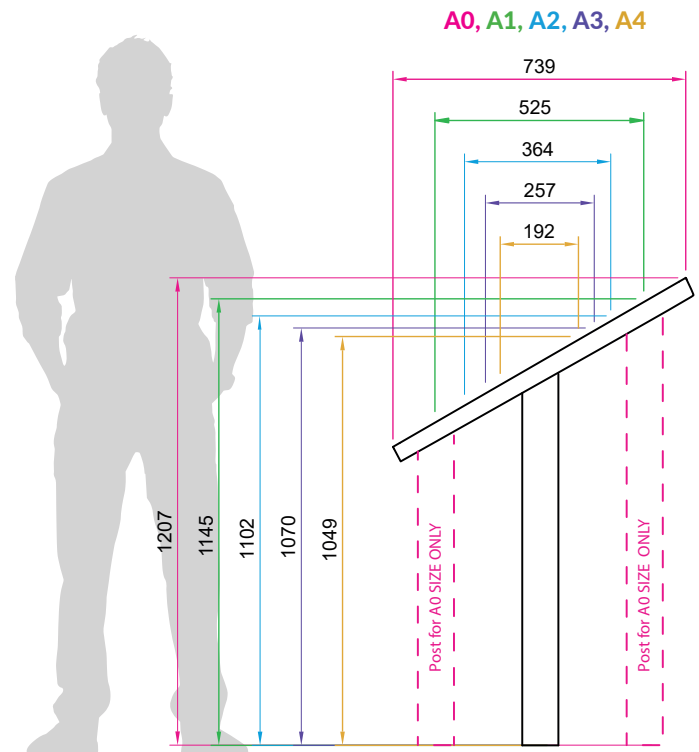

ADDITIONAL OPTIONS

- Custom sizes
- Available with HARDROK finish

INSTALLATION GUIDELINES

(These are guidelines only and do not replace, advice from qualified professionals)

- Root-fix – 300x300x700mm excavation per post, approx. 600mm in the ground, backfilled to 50mm below ground level with standard postcrete, trowelled away for water runoff.
- Bolt down – Use epoxy-fixed M12 (or similar) zinc-plated anchor bolts. It is advised that all hardware is galvanised or stainless steel for weather resistance.
