

# PRODUCT SPECIFICATION

## WOKINGHAM

### (Litter bin)

72026

The Wokingham litter bin combines a modern design with a well-built construction. Its design is simple and functional, yet the quiet elegance means it is at home anywhere.

#### PRODUCT FEATURES

- Standard 50mm capacity
- Bolt-down or root-fix options
- Choice of standard frame colours
- Choice of timber types & stains
- Tilting bin, locks with triangle key
- Manufacturer's warranty  
(5 years on metal, 2 years on timber)
- Supplied unassembled with fixings

#### ADDITIONAL OPTIONS

- Additional colours available on request

#### INSTALLATION GUIDELINES

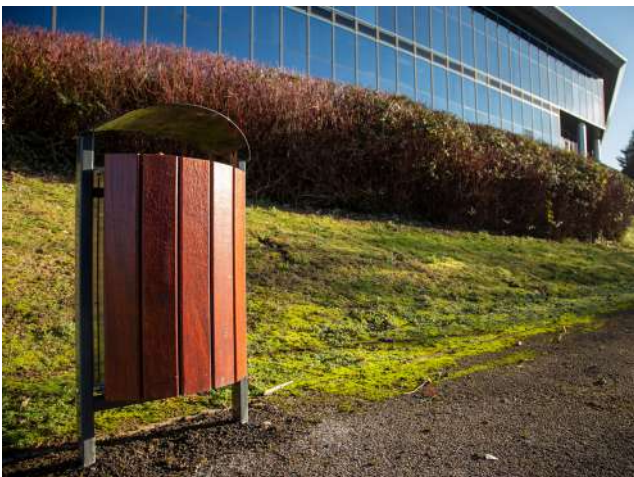

*(These are guidelines only and do not replace, advice from qualified professionals)*

- Bolt down - Use epoxy-fixed M12 (or similar) anchor bolts through post shoes. It is advised that all hardware is galvanised or stainless steel for the required weather resistance.
- Root-fix - 250x250x300mm excavation per post, approx. 180mm in the ground, backfilled to 50mm below ground level with standard postcrete, trowelled away for water runoff.

#### PROJECT EXAMPLES

**BRACKNELL BID** - Farley Moor Lake and industrial area
