

PRODUCT SPECIFICATION

METTRO 105

(Bench) 64105

The Metro 105 benches are a stylish addition to any public space whether you need a few benches for a small park or a long row of seating for a bustling city centre. Hardwearing timbers and a protective powder coating ensure durability and longevity even in high-traffic areas.

The benches can be customised to your requirements. Timber length, cladding material, frame colours, and cutout options can all be designed to reflect your vision.

Seamlessly integrate with other Citi-system compatible furniture to create a cohesive and coordinated look throughout your public space.

PRODUCT FEATURES

- Frame typically manufactured in galvanised steel
- Powdercoated to the desired RAL colour
- Typically clad with Iroko
- Configured using Citi-system components
- 1 year manufacturer's warranty
- 4 week delivery (from approval/payment)

ADDITIONAL OPTIONS

- Alternative material e.g. Aluminum or stainless steel
- Alternative timber e.g. Accoya
- Option for plaques & engraving
- With or without backrest
- Custom finishes (anodised, sand blasted)
- Make removable / temporary

INSTALLATION GUIDELINES

*BOLT DOWN - SURFACE FIX

- 1) Excavate to given foundation dimensions (see data tables).
- 2) Fill with C40 grade concrete and level off, allowing sufficient space below ground to backfill (step 5) and leave to set.
- 3) Position the base plates as required on the concrete pad.
- 4) Base plates fixed to pad with M12 zinc plated anchor bolts.
- 5) Backfill to finished ground level with required materials.

PROJECT EXAMPLES

WEALDON - Crematorium

64105.A - Backless bench

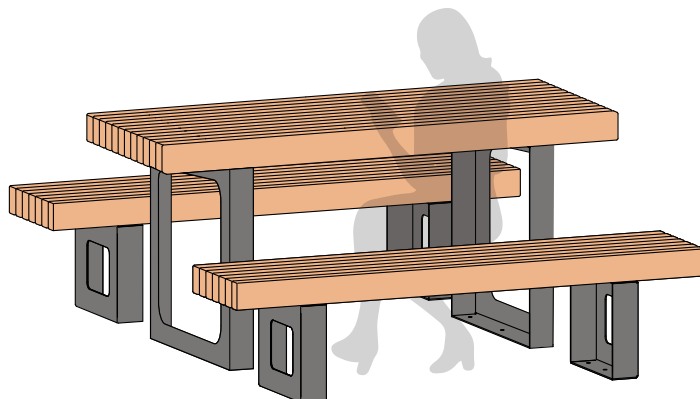

64105.B - Backed bench
