

PRODUCT SPECIFICATION

METTRO 110

(Square Bench & Planter) 64110

The Metro 110 is an outdoor furniture piece that offers both seating and greenery in one design. With the option to configure it into a straight bench with planters on either side, an L shape, U shape, or closed square version, this product can be tailored to fit any outdoor space. The straight bench provides a simple seating solution, while the L shape is ideal for fitting into corners. The U shape is perfect for high traffic areas where seating is needed on both sides, and the closed square version can be used to encircle a tree or other focal point in a town or park.

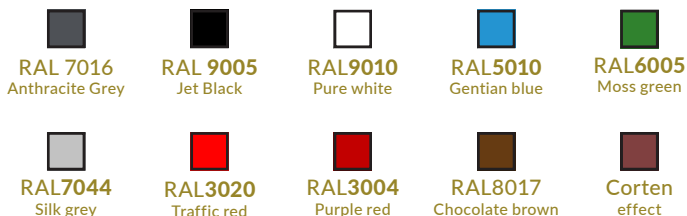

PRODUCT FEATURES

- Frame typically manufactured in galvanised steel
- Powdercoated to the desired RAL colour

STANDARD FRAME COLOUR OPTIONS

INSTALLATION GUIDELINES

*BOLT DOWN - SURFACE FIX

- 1) Excavate to given foundation dimensions, 1000x1000x400mm deep per planter.
- 2) Fill with C40 grade concrete and level off, allowing sufficient space below ground to backfill (step 5) and leave to set.
- 3) Position the base planters as required on the concrete pad.
- 4) Fix to pads through the base plates with M12 zinc plated anchor bolts before inserting and fixing the liner.
- 5) Backfill to finished ground level with required materials.

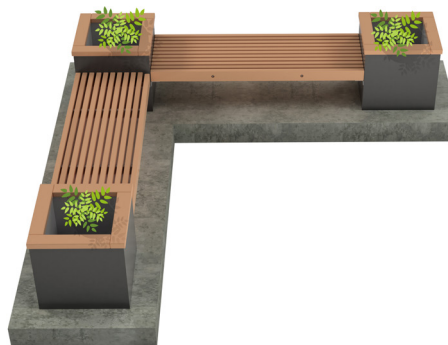

PROJECT EXAMPLE - Wealdon Crematorium

Model	Straight type - 64110.ST
Seating capacity	3 Seater
Dimensions	W 3100 x D 650 x H 605 mm

Model	Square type - 64110.SQ
Seating capacity	12 Seater
Dimensions	W 3100 x D 3100 x H 605 mm

Model	L type - 64110.L
Seating capacity	6 Seater
Dimensions	W 3100 x D 3100 x H 605 mm

Model	U type - 64110.U
Seating capacity	6 Seater
Dimensions	W 3100 x D 3100 x H 605 mm
